We are the sole source of food services for the lodge and do not allow you to bring food and beverages into the meeting and banquet facilities. Menus are available on our website at www.VisitLakeGuntersville.com.

Other Spaces (To be used only in conjunction with food and/or beverage sales)

The Hickory Bar & Lounge

Breakfast, Brunches, & Lunches only!
 # of people up to 100
 Rate Per Day: No Charge

Pinecrest II

Located inside the main dining room.
 # of people up to 50
 Rate Per Day: No Charge

Combined, we have 13,893 square feet of meeting space! Plan your next event at beautiful Lake Guntersville Resort State Park Lodge.

Price includes setups such as tables and chairs. Rooms are arranged to the customer's specifications, within reason, with the exception of The Boardroom, Hickory Room and Pinecrest II. These rooms are pre-set. The equivalent purchase of food and beverage items with the use of our meeting rooms waives the room rental fee of the room where the food is served.

Amenities provided at an additional cost per item include AV equipment, a dance floor, stage, flip charts with markers, easels, etc. See our AV Price List or ask our sales team about pricing.

Each of these rooms, with the exception of the outdoor space, is located in the Lodge adjacent to the hotel rooms. Azalea's II, & III, and Dogwood, are located in a hallway to the left of the entrance just off the main lobby. The Grandview Ballroom and Goldenrod room is on opposite ends of the 3rd floor with each having access to the upper terrace overlooking the Guntersville Reservoir. Camellia and The Boardroom are centrally located on the 3rd floor.

** These numbers are total numbers of people the room will accommodate without tables. Numbers decrease when setup includes tables. Our sales team will inform you when we feel you have exceeded a personal comfort level based on your set-up needs and configuration and may advise the use of a larger space.
