Lodge & Mountain Inn Restaurant

This restaurant-motel complex was remodeled from the stone walls and beamed ceilings of the original lodge built during the 1930s. The elegant dining room has an extra large fireplace to enhance the mountain atmosphere; there are 2 smaller rooms available for meetings as well. The Mountain Inn Restaurant offers 3 meals a day and a buffet every Sunday. The 25 motel units located next to the lodge feature Cable TV, telephone, and also offer a view from the porch or balcony. DeSoto State Park also has Mountain Chalets, Rustic Cabins, & Log Cabins available for rent at the Lodge.

NATURE-HIKING TRAILS

The 360-yard Azalea Cascade Boardwalk trail is the highlight of over 20 miles of hiking & mountain biking trails located in the park. Many unusual rock formations, rushing mountain streams, and rare and endangered forms of plant life will be found along these trails. Because of the delicate balance of nature in the park, we ask that you help protect the environment by not breaking, picking or digging any of the plants, wildflowers and shrubs. Please do not disturb the wildlife.
