

CAMPGROUND

190 modern campsites are available in the campground with full hook-ups. The campground is located across U.S. Highway 431 on the banks of Lake Eufaula and are shaded by tall pines. Primitive campsites are also available. Bathhouses are located throughout the campground.

MARINA

This full-service marina provides fuel, bait, tackle, fishing tackle along with groceries and camping supplies. Both covered and uncovered boat slips are available for rent. The Marina Grill serves food and beverages there as well.

CABINS & CHALETS

The park offers 10 beautiful one, two- or three-bedroom cottages located on the lake between the lodge and the marina. The cottages are equipped with everything to make your stay comfortable and provide spectacular views of Lake Eufaula. There are 29 cabins, 15 two-bedroom units and seven four-bedroom duplex units that are centrally located in the park. Three of these cabins are dog-friendly.
