

Gulf State Park Campers,

Most of the information below remains unchanged from the update provided on October 20. Changes are related to the sites we had tentatively scheduled for reopening on November 1. Updates are included in green so they can be more easily identified.

The following list of sites is set to open November 1.

These campsites will be fully functional beginning November 1. Please note that if you have a reservation scheduled to arrive on one of these sites prior to November 1, your arrival date will be automatically modified to November 1 (only applies to reservations with departures after Nov 1).

~~**The following list of sites is TENTATIVELY set to open November 1.**~~

The following list of sites is now set to open November 12.

We are sorry to report that we will not be able to open these sites on November 1 as we had hoped. These sites will be opening on November 12 with the remainder of the campground. We were hopeful that our electrical contractor would be able to receive the panels and have them installed in time for November 1 arrivals, but the tight shipping window combined with Hurricane Zeta threatening the weather for installation has forced us to push the date to November 12 for reopening. We are sorry for any inconvenience this causes.

- All reservations scheduled to arrive *and* depart prior to November 12 on these sites will be automatically cancelled.
- All reservations on these sites which are scheduled to arrive prior to November 12 but depart *after* November 12 will be automatically modified to an arrival of November 12. Monthly and weekly rates will be prorated accordingly.
- Monthly campers should have received an email with information about discounts at other Alabama State Parks while you are waiting for your monthly site at Gulf to reopen. If you did not receive this email, please call 334-201-9967.

For campers whose site will not be ready until November 12, we will work to accommodate you on any available site at Gulf State Park as best we can, but availability is limited. Please call 251-948-7275 or email us at gulfcampground.statepark@dcnr.alabama.gov to modify your reservation. We understand you may already be in route to Gulf State Park ahead of your originally scheduled reservation and will need a place to stay. We sincerely apologize for any inconvenience caused by the reopening delay and want to extend a discounted offer for all other Alabama State Parks during the time when your reservation at Gulf State Park is displaced. A discount code will be emailed to those affected for 20% off the nightly rate at any Alabama State park between October 25 and November 11. Please expect offer details to be emailed to you no later than October 25.

Thank you again for your support and understanding as we work to reopen the campground. Your safe and enjoyable stay with us is our top priority. If you have any questions about these reopening dates or would like to make any modifications, please email us at gulfcampground.statepark@dcnr.alabama.gov.
