

*Soar with Us!
Eagle Awareness 2022
At Lake Guntersville State Park
January 28-30, 2022*

Spend an enchanted winter weekend in a beautiful state park immersed in nature-based learning as you stand face to face with a live bald eagle during Eagle Awareness live birds of prey programs or watch wild eagles soar in the sunrises and sunsets. This event has been called "a magical moment to make lifelong memories" and many participants return each year for such an Incredible experience. Four weekends with diverse presenters and unique opportunities to view many species of birds including raptors, waterfowl, and winter migrants. Weekend packages begin at \$299. Lodging and some meals included.
