ADDENDUM No. 3
REQUEST FOR PROPOSALS
Statewide Network of Self-Service Electric Vehicle Charging Stations
Issued: April 6, 2023

This Addendum is hereby made an integral part of the original RFP document.

RFI 3) Please identify the specific locations where the chargers are to be installed and the number of chargers at each of the locations. Please provide historic data and projections on the anticipated usage of the chargers at the desired locations. If you do not have this data, we propose to partner with you to help you obtain and derive it.

Response: Please refer generally to answer in Addendum No. 1 found here: [EV-RFP-Addendum 1](#). Regarding the anticipated number of chargers and usage, include in your submission your proposed locations and layout design(s) for the EV Charging Stations. Please describe your methodology for identifying the locations that best integrate with the electrical grids in order to optimize utilization.
