

Lake Guntersville State Park

Television Guide

Instructions

Instructions

Step 1: Using the television remote, turn the television on.

Step 2: Using the television remote, ensure the television is on channel 3.

Step 3: Using the television remote, press the “DTA” button to turn the small black box on. The small black box should be located on top of or beside the television. Once turned on, a green light will appear on the box.

- Use the television remote to change the channels.
- Use the television remote to adjust the volume and to turn the television off.
